

NASHVILLE PARKING INFORMATION

RESIDENCE INN HOTEL PARKING

You should find your car parked by the basketball court with a yellow mirror tag on it. If you do not have a yellow mirror tag (which should always be visible) please stop by the front desk to get one. Once you exit the hotel, to return you will need a hotel room key to open the front gate to get back on the property. Remember to leave your car packet with your keys at the front desk when the car is not in use so others in your group can use the car as well. You are responsible for parking your own car. Reminder that the car is to be shared evenly and priority must be given to work related events and errands. Only company members can travel in company cars.

PARKING BY THE TENNESSEE PERFORMING ARTS CENTER

Located in the Sheraton Grand Hotel at 623 Union Street, the parking structure is 0.2 miles from the Stage Door. You will be asked to take a ticket upon entry into the structure. Once you arrive at the theatre Lindsay will give you an electronic pass that going forward you will scan to exit and enter the building. Instructions on how to return that pass will be given at the end of the week. The pink star below is the parking structure and the green star is where the Stage Door is located.
