

EAST LANSING PARKING INFORMATION

TOWNEPLACE SUITES HOTEL PARKING

This hotel does not have a specific rental car drop parking so the car could be anywhere in the lot. Parking is complimentary and you will not need a pass to park there or access the lot. Since we are coming from lay-off the rental car packets will be distributed at the company meeting. Until then, please coordinate amongst yourselves the keys or use the envelopes provided by the front desk. You are responsible for parking your own car. Reminder that the car is to be shared evenly and priority must be given to work related events and errands. Only company members can travel in company cars.

PARKING AT THE WHARTON CENTER

The address for the parking garage located adjacent to the Wharton Center is 766 East Shaw Lane, East Lansing, MI 48824. You will want to park in the SW corner of the garage as that will put you by the exit that is closest to the Stage Door. You will receive your parking pass upon arrival from Lindsay and it should always be displayed upon your car dash. This is a covered parking lot except for the top floor, roof level. The red dot below is the parking garage and the pink star shows the stage door.
